

**QA HIGHER
EDUCATION
PATHWAYS**

AT A GLANCE

We are here to empower our learners, by providing an extensive range of pathway, undergraduate, and postgraduate programmes in collaboration with

OUR PROGRAMMES

Each pathway programme we offer with our partner universities is designed to prepare you for successfully studying a university degree in the UK.

From developing your English language level, right through to building your academic study skills ready for your progression programme. Throughout your programme you will be taught on-campus, with access to all university learning facilities.

PRE-SESSIONAL ENGLISH

Pre-Sessional English is a programme that helps improve your English language skills before beginning your academic studies. This online course ensures you meet the language requirements for your chosen degree and prepares you for success in a UK academic environment.

The Pre-Sessional Programme is ideal if you want to:

Meet the English language requirements for your chosen undergraduate or postgraduate course

Develop your vocabulary, writing, reading, listening and speaking skills

Prepare yourself with the culture before you start your degree course

Develop your confidence in an English-speaking academic environment

of students progressed onto their desired degree after successfully passing the course in 2023/24*

Percentage of students who progressed onto their desired degree after successfully passing the course in 2023/24
The data is based on the results of the Pre-Sessional English course in 2023/24.

PRE-MASTERS

Pre-Masters is a preparatory programme designed to bridge the gap to postgraduate study. Upon successful completion, you will be guaranteed progression onto one of our postgraduate programmes, which is available at Northumbria University Newcastle and Northumbria University London.

The Pre-Masters Programme is ideal if you:

Hold a third-class, pass or ordinary degree from a UK university, or equivalent

Have IELTS (minimum component)

Want to build expertise in the fields of Business, Computing or Engineering

Wish to develop your written and spoken English
